

"They are like an extension of our family and have completely changed our lives"

Casey's mum,
Nahella

Dear Mr Bartlett and group members,

Thank you ever so much for your kind donation of £101, being the monies raised from a raffle at a members meeting.

Your generosity means we can continue being there for more families and children with life-limited conditions. The amazing amount you have donated could pay for our medical oxygen at the hospice for over two months. That is truly amazing!

Thank you for your support and merry christmas!

Fundraising team.
